UNCLASSIFIED

PRB will not provide a copy of a secrecy agreement or nondisclosure agreement to an author who requests one they signed. Secrecy agreements and nondisclosure agreements are typically not classified but the Agency's current policy is to formally process these requests in a similar manner. The Agency process is for authors to request any personally-related information by submitting a Privacy Act request. Authors should be directed to the Agency's public website for instructions on submitting a Privacy Act request for a copy of their secrecy agreement or nondisclosure agreement.
